Welcome to the Calcasieu SC Eagles soccer program! This handbook has been designed to serve as a guide for both parents and players as they begin their journey with our club. While it won't cover every single detail, it will provide valuable insight into what makes our program unique and how we work together to create a positive experience. As the program evolves, so too will this handbook, ensuring it reflects the needs and growth of our community.

We truly believe that the success of our program relies on the involvement of everyone—coaches, players, and families. By working together as a united front, we can ensure that each season is a rewarding experience, most importantly for the players. We hope this handbook helps you feel informed, empowered, and excited to be part of the Eagles family, whether you're new to the program or returning for another season.

PURPOSE, VALUES & VISION OF CSC

EAGLES CORE PURPOSE

The mission of the Eagles soccer program is to develop confident, respectful, and skilled players and teams within a supportive and inclusive environment. Through high-quality personalized coaching and positive competition, we empower players to thrive both on and off the field while instilling a lifelong love for the game.

EAGLES CORE VALUES

The principles that bind our organization together and guide our decisions

GROW

We meet players where they are and help them get where they want to go. Growth at Eagles is more than improving skills—it's about developing confidence, character, and leadership. We believe in shaping well-rounded young people, not just athletes.

UNITE

We cultivate a culture of belonging. Eagles Soccer Club brings together players, families, coaches, and the broader community. Through shared purpose and mutual support, we create an environment where everyone feels seen, valued, and connected.

EMPOWER

We equip players to carry what they've learned into every part of life. By giving them experiences, tools, and a strong foundation, we help them take ownership of their journey—on and off the field—with resilience and purpose.

GROW. UNITE. EMPOWER

"**Grow** the Player. **Unite** the Club. **Empower** the Person."

VISION & STRATEGY

Calcasieu Soccer Club is dedicated to advocating for the growth and development of soccer within Calcasieu Parish. Through our promotion and support of the game, we aim to foster a love of soccer in both children and adults, enriching the community and providing lasting benefits. We hope that the skills and knowledge our members gain will stay with them, allowing players to continue enjoying and participating in this global sport throughout their lives. Our operations are guided by the following principles:

Respect For All Persons

We treat all members with respect and fairness, regardless of age, ethnicity, gender, or social status. Every individual is valued and important to the success of our club.

Safety For All Participants

We are committed to providing a physically and emotionally safe environment for every member, ensuring that all players can develop and thrive in a secure space.

Long-Term Player Development & Enjoyment

Player development is at the core of our program. We focus on building individual skills in a fun and age-appropriate environment. We continually refine learning goals to ensure development is both enjoyable and effective for players at all levels.

Coach Development

Coaches play a vital role as teachers and role models. We invest in the ongoing education of our parents and professional coaches to help them reach their fullest potential and positively influence our players.

Family Involvement

We view membership in Calcasieu Soccer Club as a family affair. Our program relies on active family participation and volunteerism to provide quality opportunities for our kids. We encourage families to be involved and enjoy their experience within our soccer community.

Good Conduct by All

We adhere to the Louisiana Soccer Association's codes of conduct for players, coaches, parents, and referees to ensure that everyone can enjoy the game in an atmosphere of respect and fairness, free from fear or intimidation.

Competent Governance

Our club is governed fairly, openly, and inclusively. Club business is conducted in accordance with our bylaws by a volunteer board, and we provide numerous opportunities for all members to actively contribute and shape the future of the club.

Affiliations

We believe that the development of soccer in our community is best achieved through strong relationships with other clubs and affiliations with soccer's governing bodies, including the Louisiana Soccer Association, United States Youth Soccer Association, and United States Soccer Federation. We are committed to building these relationships to serve the greater good of the sport. Our newest affiliation enhances the player development pathway by creating opportunities for Calcasieu SC athletes to participate as discovery players within the LA Krewe Rush ECNL-RL program. This allows our 13U–18U players to gain additional exposure, experience higher-level competition, and further their development while remaining connected to their home club.

HOW WE COACH

THE EAGLES PLAYER DEVELOPMENT MODEL

The purpose of the Eagles Player Development Model is to guide coaches when training teams and provide players with a progressive pathway of development through the age groups. It has been created using information from the US Soccer Curriculum and USC Player Development Diploma Course with the intention of creating consistent, dependable training methods throughout Calcasieu Soccer Club.

By following this Player Development Pathway and the CSC Framework for Development, we aim to allow players to develop to their full potential, in a safe & structured, challenging & enjoyable environment.

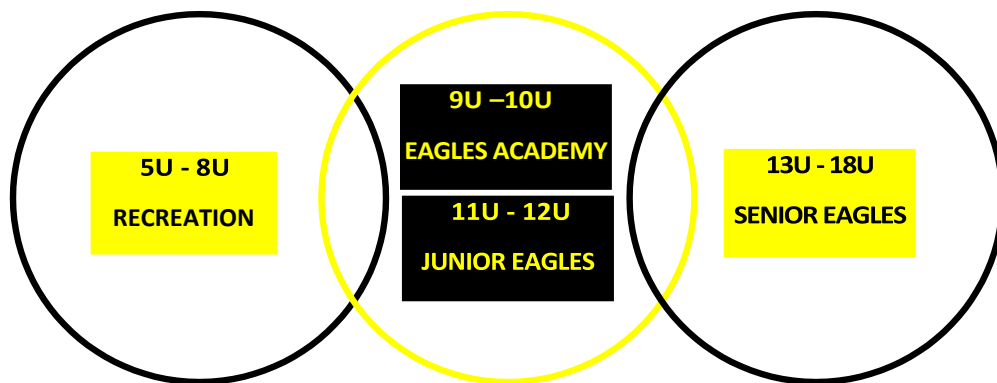

COACHING PHILOSOPHY & METHODOLOGY

- Follow the basic Principles of Coaching
- Create a clear and simple pathway for players to follow
- Keep the player at the center of the development process
- Provide players with as much active ball time as possible
- Allow players to learn and develop at different speeds
- Teach the principles of the game
- Expect commitment, respect, and accountability from all
- Create a deep and underlying passion for soccer at all ages

THE PRINCIPLES OF COACHING

Developmentally Appropriate
Clear, Concise, Correct
Simple to Complex
Safe & Appropriate
Decision Making Opportunities
Game Implications

THE PLAYER DEVELOPMENT PATHWAY

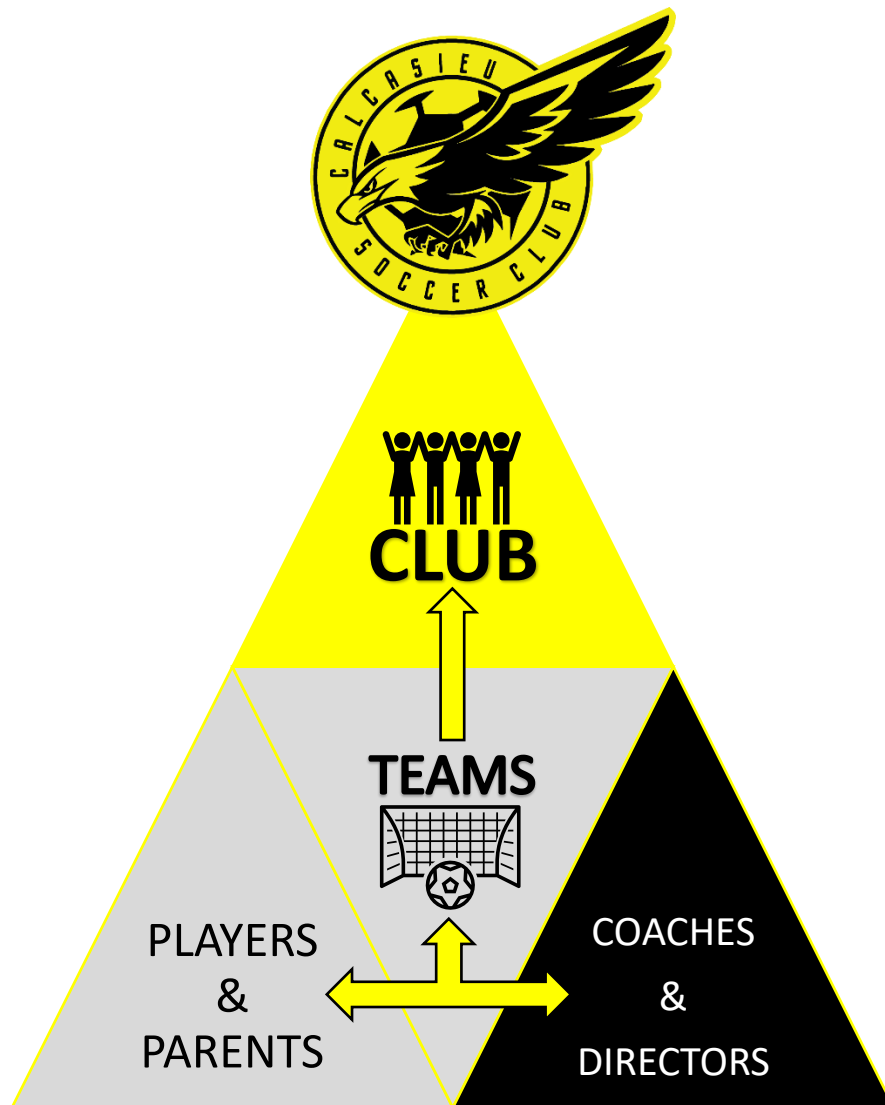

FUN-DAMENTAL

**PRACTICE TO
DEVELOP**

**PRACTICE TO
COMPETE**

COLLABORATION FOR THE GREATER GOOD

In all things we should always work together. Players & parents, and coaches & directors should collaborate to create the most positive environment where EVERYONE has the same opportunity to succeed!

When making decisions we should always consider how they may affect all players & teams, and ultimately the **GREATER GOOD OF THE CLUB.**

GENERAL INFORMATION & EXPECTATIONS FOR ALL

Please help us create and maintain an enjoyable, professional and positive environment for the players, families and staff of CSC along with all the clubs we meet by familiarizing yourself with and respecting the expectations set forth.

PRACTICE & ATTENDANCE

Fall practice begins in the first week of August every year. In some cases, practices may start earlier depending on the fall schedule and coach discretion. The commencement of spring practice will vary by age group. Pre-high school age teams will begin mid-January to early February. High school age teams will begin after the completion of the local high school soccer season.

Practice and game schedule information will be provided by the club following the completion of all tryouts. Additional club-wide training opportunities—such as summer or winter workouts, goalkeeper sessions, and family-night events—will be communicated by the club as details are finalized throughout each season.

Parents and players should strive to attend as many team practices and games as possible. Coaches have club support to sit out players who consistently miss team activities. Should missing practice be unavoidable from time to time, players may make up practice with other Eagles team one age group up or down. Coaches of both teams should be informed of this in advance.

EQUIPMENT & DRESS CODE

All players are expected to dress appropriately and wear the correct uniform for all Eagles activities. Game uniforms are renewed every two years. When designated as the Home team, players will wear the light-colored jersey; when Away, they will wear the dark-colored jersey. Players are also required to bring their own water to every practice and game.

Players receive two practice jerseys at the start of each season are expected to wear the correct Eagles practice uniform for all practices:

Jersey: Grey

Shorts: Black

Socks: White

*Extra practice jerseys can be purchased for \$12 each.

Information on sizing, ordering and purchase of game uniforms will be provided by club staff prior to season starting.

TOURNAMENTS & GAMES

We strive to have tournament schedule available as early as possible each year. The schedule will be decided on by the team coach, CSC Competitive Director of Coaching and CSC Executive Director. When selecting tournaments, consideration will be given to the current ability of the team and what would provide the most appropriate challenge and opportunity for growth. Where possible Junior CSC Eagles teams will travel to the same tournaments, however Senior Eagles teams may require different challenges as the teams develop.

U11 Eagles teams will begin participating in league play during the spring season. All U12–U18 Eagles teams will compete in the Louisiana Classic Soccer League (LCSL) starting in the fall and continuing through the full seasonal year, unless otherwise communicated by the team coach or the Director of Coaching. The number of league matches varies each season based on the size and structure of each division.

PLAYING TIME

As this is a competitive soccer program, there is **no guarantee of minimum playing time during games**. However, we recognize a key part of the development process requires that players experience the actual game. Our coaches will provide players with reasonable time on the field based on merit, conduct, effort and attendance at practice and games.

OUT OF TOWN TRAVEL

When teams travel to out-of-town events requiring overnight accommodation, the team manager may reserve a block of rooms or recommend hotels for the team. As much as possible we encourage all families to stay in the same hotel to develop team chemistry between both players and parents.

Parents should ensure that their children always represent CSC in an appropriate manner. Parents unable to attend an out-of-town event may arrange to send their child with the family of another team members. **HOWEVER**, this must be arranged between the families, and CSC cannot be held responsible for behavior of the children the absence of parents.

TEAM MANAGER

To help with general team operations, a volunteer team manager or co-team managers will be appointed. These parent(s) will work closely with the coach and Eagles Competitive Director of Coaching to handle administrative tasks such as team communications, tournament registration, hotel reservations, team budget and finances, etc. All teams will utilize the PlayMetrics system for team communication, calendar of events, and team updates. Parents are encouraged to download the app to their phone and add family members to the player contact tab for all who will need updated team information throughout the year.

SUPPORTING THE CLUB & COMMUNITY

There is an expectation that all players and families will participate in events organized or supported by CSC. Pre-season Parent Education and Eagles Family Night are annual events that we hope bring members closer together. Events such as Buddy Ball and Screamin' Eagles provide an opportunity for everyone to give something back to the club and community. Parents and families will also help with the annual Pirate Cup tournament in the spring of each seasonal year.

24-HOUR RULE

Parents or family members and coaches should refrain from discussing potentially conflicting issues until 24 hours after any concern arises or incident occurs. Meetings with the potential for tension should take place in the presence of a neutral third party and NEVER in the presence of children. Team issues or concerns should be calmly and respectfully addressed in the following order:

1. Direct communication with the team coach
2. Communication with the Competitive Director of Coaching
3. Communication with the Executive Director

SIDELINE BEHAVIOR

Sideline behavior applies to both practices and games. We encourage enthusiastic, positive support; however, parents, family members, and fans must refrain from coaching, directing, or distracting players during any Eagles activity to avoid confusion and maintain a consistent learning environment. Spectators are required to sit on the opposite side of the field from their team and should never position themselves behind the goals.

GENERAL BEHAVIOR

Foul and abusive language or behavior at or around the soccer environment will not be tolerated. This includes inappropriate behavior and comments directed towards players, coaches, game officials or spectators. Persons representing CSC who fail to abide by these general rules on behavior and CSC Eagles Code of Conduct may be subject to the following:

1st Offense: Written reprimand from the Director of Coaching or Executive Director and the person may be suspended from attending games and may be subject to further disciplinary action.

2nd Offense: Written reprimand from the Director of Coaching or Executive Director and the person and their child/children may be required to leave the club.

CSC EAGLES CODE OF CONDUCT

PLAYERS

1. Play the game for the enjoyment of it.
2. Respect all teammates and stand up against bullying in any form.
3. Listen to and always show respect to coaches and officials.
4. Appreciate the efforts of teammates, opponents and everyone involved in the game.
5. Attend practice and games with a positive attitude and be prepared to put forth effort.
6. Always wear appropriate soccer equipment & Eagles attire at practice and games.
7. Be gracious when winning and graceful in defeat.
8. Obey the rules of the game and accept the referee's decisions.
9. Obey the rules and policies of Calcasieu Soccer Club & Louisiana Soccer Association.
10. Represent Calcasieu Soccer Club in a professional and sportsmanlike manner.

PARENTS

1. Respect and support the coaches and their decisions.
2. Respect opponents and their supporters.
3. Respect the referee and accept his/her decisions.
4. Be a positive role model for your child and all other children.
5. Be positive and encouraging but DO NOT coach from the sidelines.
6. Make every effort to get your child to all games and practices on time.
7. Never enter the field of play or approach the team bench during games.
8. Obey the rules and policies of Calcasieu Soccer Club & Louisiana Soccer Association.
9. Represent Calcasieu Soccer Club in a professional and sportsmanlike manner.
10. Remember that the game is played for fun and that it is for the kids!

OFFENSIVE OR ABUSIVE BEHAVIOR WILL NOT BE TOLERATED

EAGLES PLAYING FEE INFORMATION

Calcasieu Soccer Club Eagles program is committed to making soccer available to everyone and we strive to provide a high quality, professionally run organization for all our members. Making this possible involves operating costs, which is why members are charged fees to play. Event entry fees, referee fees, staff and administration costs, field equipment and maintenance, coaching equipment, affiliation fees are all examples of the costs involved in the successful running of the Eagles program.

As the costs to provide a quality competitive program increase, we have decided to move to a new fee structure that we believe allows the club, the coaches, and families to be more cognizant of the costs involved in selecting events and activities for each individual team. See below how this will work.

THE CLUB FEE

These are Eagles **program** operational expenses that cover registration to the club for the year, and the fixed costs associated with club & State admin and registration fees, facility maintenance, practice jerseys, etc.

Club Registration Fee in Full	Club Registration Fee in Installments	
\$400	Installment 1: \$200	Installment 2: \$200
Due at Invitation Acceptance	Due at Invitation Acceptance	Due July 1st

THE TEAM FEE

These are individual **team** expenses such as coach compensation and travel expenses, event and competition entry fees, referee fees. The team fee will vary from team to team based on several factors; the number of players on the roster, the age group and subsequent number of, level of, and the location of competitions the team plays in, and the coach compensation rate. In an attempt to keep team fees lower across the board, families may be asked to participate in club fundraisers throughout the seasonal year.

The final 'Team Fee' amount for each team can only be provided in late July or early August when rosters and schedules have been finalized. To help you plan ahead, an approximate 'team fee' for age groups is shown:

11U – 12U	13U – 14U	15U - 18U
\$1100 - \$1300	\$1200 - \$1400	\$1200 - \$1400
To be paid in installments throughout the season (August-March)		

THE UNIFORM FEE

Approximately \$150 and purchased every 2 years. Uniform sales take place in August.

KEEPING EAGLES SOCCER AFFORDABLE

We understand that participating in a travel-based program can present both financial and time-related challenges for families. That's why we are committed to continuously finding ways to reduce these burdens while maintaining the high standards of our program. Our goal is to make a top-tier soccer experience affordable and accessible—where players can grow under the guidance of qualified, experienced coaches, and parents can feel confident that their child's development is in capable, caring hands.

Here's how we work to keep costs manageable while delivering exceptional value:

Financial Aid Program

Players can apply for up to 65% of their fees to be discounted.

Sign Sponsorship Program

Players have the option to sell sponsorship signs to offset 100% of their team fees. Sign Sponsorships are due by August 1st for the seasonal year.

Club & Team Fundraisers

To help lower program costs we will establish various club & team fundraising events.

Multi-player discounts

Families with siblings in the program receive discounts for each additional player.

Purposed selection of events with varied but achievable travel times

Tournaments are identified early each year with consideration given to travel time. Depending on the age group, teams will typically attend three tournaments in fall and three in spring, with travel time being 1 hour, 2 hours and 3 hours. However, it should be noted that teams may participate in the Louisiana Competitive Soccer League, they may not participate in as many tournaments. It should also be noted that older teams may participate in events that require more travel so they can achieve the appropriate level of challenge.

REFUND POLICY

75% UP TO TEAM MEETING / 50% UP TO FIRST GAME / \$0 AFTER THE FIRST GAME

REGISTERING FOR EAGLES IS A YEAR LONG COMMITMENT.

WITH THE EXCEPTION OF LONG-TERM INJURY OR FAMILY RELOCATION, NO REFUNDS WILL BE ISSUED IF A PLAYER DECIDES TO LEAVE THE TEAM DURING THE SEASON.

RISK MANAGEMENT & CONCUSSION AWARENESS

We want the Eagles soccer experience to be enjoyable for all but most importantly, we want it to be safe. We recommend everyone visit the “safety” section located under the resources tab for more information on all CSC safety protocols. For your convenience, we have included information on signs and symptoms of concussions and what to be aware of.

WHAT IS A CONCUSSION?

A concussion is a brain injury. Concussions are caused by a bump or blow to the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.

You can’t see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

WHAT ARE THE SIGNS AND SYMPTOMS OF A CONCUSSION?

Signs Observed by Parents or Guardians If your child has experienced a bump or blow to the head during a game or practice, look for any of the following signs and symptoms of a concussion:

- Appears dazed or stunned
 - Is confused about assignment or position
 - Forgets an instruction
 - Is unsure of game, score, or opponent
 - Moves clumsily
 - Answers questions slowly
 - Loses consciousness (even briefly)
 - Shows behavior or personality changes
 - Can’t recall events prior to hit or fall
 - Can’t recall events after hit or fall
- Symptoms Reported by Athlete
- Headache or “pressure” in head
 - Nausea or vomiting
 - Balance problems or dizziness
 - Double or blurry vision
 - Sensitivity to light
 - Sensitivity to noise
 - Feeling sluggish, hazy, foggy, or groggy
 - Concentration or memory problems
 - Confusion
 - Does not “feel right”

HOW CAN YOU HELP YOUR CHILD PREVENT A CONCUSSION? Every sport is different, but there are steps your children can take to protect themselves from concussion.

- Ensure that they follow their coach’s rules for safety and the rules of the sport.
- Encourage them to always practice good sportsmanship.

WHAT SHOULD YOU DO IF YOU THINK YOUR CHILD HAS A CONCUSSION?

1. Seek medical attention right away. A health care professional with knowledge in concussion management will be able to decide how serious the concussion is and when it is safe for your child to return to sports.

2. Keep your child out of play. Concussions take time to heal. Don’t let your child return to play on the same day the injury occurred and until a health care professional says it’s OK. Children who return to play too soon—while the brain is still healing—risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.

3. Tell your child’s coach about any recent concussion. Coaches should know if your child had a recent concussion in ANY sport. Your child’s coach may not know about a concussion your child received in another sport or activity unless you tell the coach.
